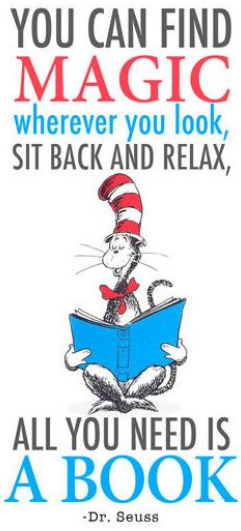
## Thought for the Week



## Learning Power

This week we are focusing on **persevering, not giving up**.

We persevere well by:

- working hard
- practising
- asking for help
- discussing the solution with others
- working through a problem on our own
- and above all, not giving up!

## Road Safety

Please could we ask parents and carers of children who drive to school, not to stop in the road to drop their children off outside the gate. It is dangerous for the children and is an inconvenience to other road users.

Please could we also ask you not to use your mobile phone when driving. It is illegal and you are putting our children, families and other road users at risk.
