Welcome to Park

We have a number of new children and families joining us at Park this week. You are all very welcome and we hope you soon settle into Park life!

Thank you to all the children who are acting as buddies. We are very proud of you for being so caring towards our new friends.

'How to Make a Hero' at the Royal Albert Hall

On Sunday the 16th of September, Park Primary's choir took part in 'How to make a Hero' at The Royal Albert Hall. It was a fantastic experience as we were the only primary school participating so we got a special mention. Our Trojan horse also made a special appearance and gave the show an edge. Amelie (Hawking Class) said, "I loved it because I was with my friends but the amount of people shocked me! At the end, I was feeling exhausted and proud".

This experience was amazing and we really enjoyed it.

(Pankhurst Class)*

Thanks must go to Miss Gemma and Theatretrain for inviting our choir to participate in their performance. Thanks too to Miss Moloney for organising the visit alongside Miss Gemma.

Early Writing Workshop

There will be a workshop for reception parents/carers on Friday 7th October at 9:10am until 10:15am. The workshop will look at how young children's writing progresses over time and how you can support and encourage writing at home. The workshop will also look at fine and gross motor skills and how these support writing. It will be a fantastic opportunity for you to meet other parents/carers, share concerns and get some great activities to support your child at home. Children make the best progress when there are positive links between home and school. Thank you for your support.

Reception Children

Well done reception children for a fantastic first full week at school! It has been lovely to see the children coming in with happy faces and to see them being excited to tell their families all about their day. An extra special well done to the children who have been on the superstar this week, keep up the good work!

Every week we will be learning about a different learning power. These are skills that help us to become fantastic learners. This week we learnt about the Concentrating Crocodile. To be a Concentrating Crocodile we need to listen to all of the words being said, sit still on the carpet, look at the person who is talking and speak when it is our turn. Please encourage your child to be a Concentrating Crocodile at home and praise them when they are!

Miss Peel

Donations Needed!

We will be running Forest School sessions over the winter months and want to make sure the children are appropriately dressed. If you have any spare or old gloves, hats and scarves that you no longer need, we would really appreciate it if you could donate them. Please take them to the school office or to Miss Peel in the reception entrance. Thank you for your support!

Building Update

You should have received a copy of the Jerram Falkus newsletter last week updating you on the progress of our building works. Phase 2 is now complete and Phase 3 is underway.

If you did not receive a copy of the newsletter, please visit the school website.

Email Addresses

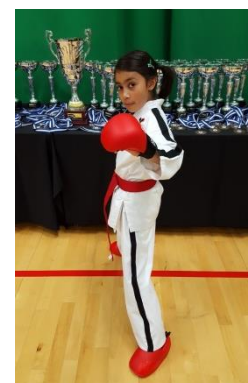

We are still receiving notifications that emails are not being received. If you do not receive emails from us then please call into the school office to update your email address or email us at info@park.newham.sch.uk with your child's name and class.

Karate Champion

I went to a competition in Barkingside. It was a karate tournament. My first opponent was a boy but I still beat him. My second was also a boy and I won the match. I won against the rest of my opponents. All of them were boys. Next, a judge gave me my trophy and I stepped on to the 1st place podium. My fourth and fifth opponents were 2nd and 3rd place and everyone took photos.

Macmillan Coffee Afternoon

Thank you to everyone who supported the Macmillan Coffee Afternoon by sending in cakes or by attending the afternoon.

We raised £140 for this fabulous cause.
