

## **Park Primary's PE spend plan 2016-17**

Our Proposed expenditure of our Sports Premium funding has been devised to account for our current compromise regarding our premises. We are working hard to provide our children with their P. E. offer at a time when our premises development restricts our capacity to accommodate the excellent provision for which we strive.

We have utilised our P.E. Grant in conjunction with our own funds to invest £5323 in swimming lessons for year 3, 4 and 5 children during the Autumn Term and £5323 in the Spring Term.

Additionally we spend £3730 on an SLA with Cumberland Sports' Partnership. The Partnership provides us with P.E support in the form of professional development (team teaching), staff training and sports' coaching. The partnership additionally increases our opportunities for children's inter school competitions.

This year in order to upskill teachers and empower the capacity to provide PE in the Park we are employing an additional sports coach through Kick London to provide PE to Y6 over the course of the day on a Friday and to work with the children on Friday lunchtime to facilitate sporting opportunities and support sporting behaviour.

We are also:

- receiving tennis lessons in the Park at a subsidised rate;
- using the Park for a lunchtime Running Club
- paying to use Copper Box for our Sports Day and looking into whether we could have more than one intra school Sports Day with a variety of seasonal sports as the focus.

When our MUGA is ready (June 2017) we will strategically plan for PE days where we will have 'house' competitions to promote sporting behaviour and sporting achievements as well as generally aiming for improved fitness for all.
