Thought for the Week

The best way to predict your future is to create it.

Word of the Week

The Word of the Week in Key Stage 1 is **caring**. The children will be reading, "Giraffes Can't Dance."

In Key Stage 2 the Word of the Week is **bullying**.

The value of the week this week which we will be discussing in phase assembly is **pupil voice**.

School Lunch Menu

This week is **Week 2** of the menu. Our [School Menu](#) is available on our website.

This Week's Learning Power – Being Cooperative

In class we talk about the Slinky Linky Snake to remind us to work together. We can show our teachers that we are a 'Slinky Linky Snake' by:

- Listening to others
- Saying when we don't understand
- Being kind when we disagree
- Explaining things to help others
- Being tolerant

Ofsted

Our Ofsted Report is now available [online](#). Thank you once again to everyone who completed the Parentview Questionnaire and for your support throughout the process. Should you wish to discuss the report, we would be very happy to do so.

Learning Outside of School

One of our Year 3 children visited the Science Festival at Imperial College in Kensington, where there were lots of hands on activities including looking at microbes, sorting proteins and quizzes about antibiotics and animal life. We were very interested to hear about his visit.

On Sunday I went to the Science Festival and learnt about Malaria and tested blood samples. Also I had the best burger and chips! I had a really good time.

Football Shirt Friday

Thank you everyone who made a contribution on Football Shirt Friday. We raised £42.00 for the Bobby Moore Fund.

Year 2 PE Lessons

Year 2 PE lessons will take place on a Monday afternoon rather than a Tuesday afternoon. This is so that more of our PE learning can take place at West Ham Park. Please ensure that your child has their PE kit every Monday.
