Raidah in Aldrin Class

Miss Patora's Star of the Week

Destiny in Berners Lee Class

Mr Walker's Star of the Week

Daania in Gandhi Class

Value of the Week

This week, we will be thinking about 'creativity' in our values assembly.

Thought for the Week

BE YOURSELF,
everyone else is already
TAKEN.
~ Oscar Wilde ~

NB Term dates are available on the school website.

Park Ponders

This week's Park Ponders question is...

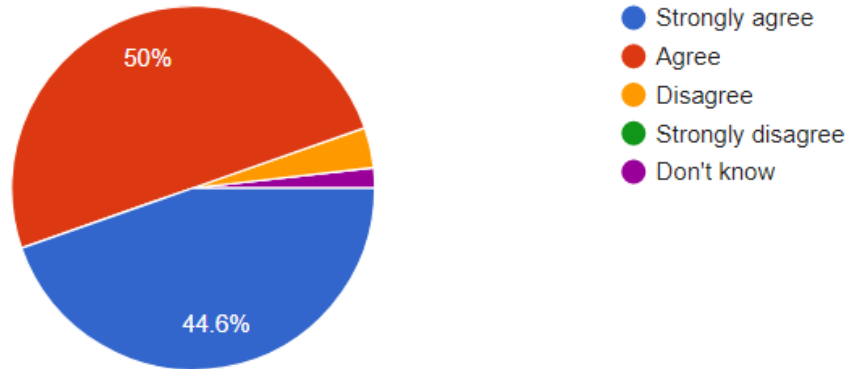

If a squirrel could talk, what do you think it would say?

Parent View Feedback October 2017

Last week we shared the responses to the statement, "My child feels safe at school."

This week we are sharing the responses for the second statement: "My child is well looked after at this school."

The children's safety is incredibly important to us and we do all we can to make sure your child is well looked after in school and out on visits. This involves ensuring your child is looked after in our day to day work; offering our children and families additional support and reviewing our practices and procedures regularly to make sure that we take account of any changes within school or the wider community.

A couple of parents made comments about school dinners and lunchtimes when they were completing the Parent View questionnaire. In response to this a member of staff has been assigned to reviewing school lunches. She will be monitoring school meals, seeking the views of the children and liaising with the catering team and school nutritionist.

If you have any concerns that your child is not being well looked after at school, please speak to your child's class teacher or a member of the Senior Leadership Team. If your concern relates to health and safety around the school building, please speak to Paddy Hesketh, our School Business Manager.

Park Primary PTA Meeting

FRIDAY 24th NOVEMBER at 2.15-3.15pm

The Park Primary Parent Teachers Association (PTA) is made up of parents, carers and teachers who come together to support the children and the school.

The PTA raises money for books for book corners, playground equipment and games and toys for wet playtimes in the classroom. We fund events such as the performances, school trips and our amazing Summer Funday.

Everyone's time and effort is voluntary and being a part of PTA projects is both rewarding and fun and a great way to get to know other parents in the school.

**We will be meeting on Friday 24th November at 2.15-3.15pm in the school.
All welcome! Come along and find out about the PTA.**

CGP Book Orders

During our parent consultation day, many parents ordered maths and English CGP books for their children to practise skills at home. Those books have now arrived at school and can be collected from the school office. If you have already paid, your child will be given books to take home. If you haven't, however, please pay the right amount to the school office and you will be given the books there.

Mental maths (for each year group separately) - £2 each

English: Reading comprehension book 1 (for each year group separately) - £2

English: Reading comprehension book 2 (for each year group separately) - £2

or a bundle: Reading comprehension book 1 and 2 (for each year group separately) - £3
