

PARK NEWSLETTER

Wednesday 20th December 2017

Ensuring every individual achieves their best through high expectations for all; with a focus on confidence, creativity and care.

Reception and Key Stage 1 Stars of the Term

Class	Star of the Term for Achievement/ Progress	Star of the Term for Attitude
Cook	<u>Kevin Vass</u> Kevin can now write his name and CVC words. He is able to count to 20 and is becoming confident in writing the numeral for numbers. He loves to demonstrate his learning in class when he is writing words, numbers and interacting with all areas of learning in Reception. He is very focused and has been a role model for all in Cook class. Kevin is a concentrating crocodile! Well done Kevin.	<u>Max Bajraktari</u> Max always comes into school with a smile. He has become confident with giving his opinion and contributes during class activities. He has fostered a love of learning and a can do attitude. He helps his friends when they are in need and seeks adults when he needs support. He is very polite and a true gentleman. He works cooperatively with adults and his friends in class. He has made a great start! Keep it up Max!
Da Gama	<u>Inaaya Kabir</u> For her progress to start the school day with a smile, for being kind to all those around her and for being ready to show others how we learn. Wow!	<u>Shrinav Kondra</u> For always being the polite young man who tries his best in all he does and encourages others to do the same. Thank you Shrinav!
Columbus	<u>Rehaan Uddin</u> Rehaan has made good progress to show good listening and make more positive choices. Now he is a concentrating crocodile in Maths and English!	<u>Amiyah-India Russell</u> You have such a positive attitude towards your learning you are always ready for a challenge. Well done and keep it up!
Aldrin	<u>Asma Ahsan Ali</u> Asma has developed a positive attitude towards learning and has made fantastic progress in all areas. She has particularly enjoyed our P4C lessons this term. Asma has impressed us with her hidden ability to articulate her thoughts and question others. She is kind and considerate towards other's opinions, but at the same time she is determined to put her ideas across with good reasons. Asma, we are extremely happy for you today, continue to be like 'Proud Peacock' and enjoy what you do!	<u>Ismail Alom</u> Ismail is an enthusiastic learner who always has his 'Concentrating Crocodile' brain ready each day! He has impressed us with his positive attitude to 'have a go' when faced with new challenges. Ismail is an excellent role model who always cares and wants to help others. We are a very lucky class to have such a great friend. Thank you.
Attenborough	<u>Tabasom Hamedani</u> For an excellent attitude towards learning and an unbelievable level of progress since starting year 1. Your teachers are very proud.	<u>Tahmeed Ehan</u> For his positive attitude towards learning and trying his hardest to get things finished.
Marco Polo	<u>Anmolpreet Nazran</u> Her willingness and engagement with learning has resulted in unbelievable progress in both English and Mathematics.	<u>Keshav Yadav</u> His consistent positivity towards his learning and Try Again Tiger attitude makes him an excellent role model for Marco Polo and the rest of KS1.
Einstein	<u>Grace Waterfield</u> For your progress in writing. Your confidence has grown and the improvement in your presentation is amazing!	<u>Ismail (Muhammad) Kibriah</u> For your 'Exploring Elephant' attitude to learning. Just like Einstein, you have an inquisitive mind and always ask questions, which is great!
Marie Curie	<u>Abdallah Abdulahi</u> Abdallah has shown, through hard work and perseverance, that anything is possible! At the start of Year 2 he found it difficult to sit and stay focussed on the carpet; he liked to call out his ideas and he found applying his knowledge to book work tricky. However, day by day he has set his mind to improving his attitude to learning and, as a result, he is now able to sit, listen and make valuable contributions to our class. He is more than capable of doing outstanding work in his books and, as his self-discipline grows, he goes from strength to strength. He is a valued member of Marie Curie class. Keep up the hard work Abdallah!	<u>Jaswinder Kaur</u> Jaswinder has worked exceptionally hard this term in Year 2. She is always ready and willing to put 100% into her learning and it is this attitude that has helped her to make excellent progress in all subjects. Jaswinder is a real role model to all children in Marie Curie class from her concentration on the carpet to the pride she takes in her book work; Jaswinder is a true joy to have both in class and as a member of Park school.
Pasteur	<u>Rachael Kaur</u> Rachael always has positive attitude towards learning. She has made excellent progress in all areas of the curriculum, especially in writing! Her handwriting has also improved dramatically. Fantastic learning this term; keep up the good work!	<u>Adam Smaoui</u> For being proactive and engaged at all times. He puts 100% effort into group discussions and independent work always. Well done Adam; keep up the good work!

Key Stage 2 Stars of the Term

Class	Star of the Term for Achievement/ Progress	Star of the Term for Attitude
Edison	<u>Anastasija Pukianec</u> For her commitment in learning and determination to succeed.	<u>Hassan Abdulsattar</u> For constantly putting 100% into everything. A fantastic role model to others.
Galileo	<u>Rayan Smaoui</u> Rayan has shown creativity and resilience in his learning journey. He is ready to take on feedback and displays curiosity when learning new things.	<u>Videlina Bachkova</u> Videlina has worked tremendously hard, consistently displays a positive attitude towards her learning, the class and school environment. She is always willing to help and encourage her peers and others in class by displaying a caring and mature attitude.
Da Vinci	<u>Riona Dunlop-Reid</u> For progress with regards to the positive choices you are now making within our classroom. There will still be mistakes and still a hill to climb, but you are trying to get there! <i>"No matter how many mistakes you make or how slow you progress, you are still way ahead of everyone who isn't trying."</i>	<u>Mohammad Khalequi (Abrar)</u> For really beginning to understand that there is a time to work hard and then a time to play hard. Abrar, you are working hard to find this balance – don't give up! <i>"Don't give up. The beginning is always the hardest. Life rewards those who work hard at it."</i>
Berners-Lee	<u>Melani Andreeva</u> Melani has made fantastic progress so far this year in all areas of the curriculum and has overcome all obstacles in her way. Melani has exhibited all our learning powers at different times this term and she is a pleasure to have in class. I am so proud of your achievements Melani.	<u>Imtiaz Uddin</u> Imtiaz has an exemplary attitude to his learning - always pushing his boundaries to improve. He consistently sets a great example to the other learners in his class and his year group. Well done Imtiaz and keep up your fantastic attitude.
Brunel	<u>Hannah Bhuta</u> For her care and attention to her learning especially in writing. Hannah is starting to become a real role model.	<u>Ibrahim Sutariya</u> For his outstanding attitude and mature approach to learning. His enthusiasm has such a positive impact in the classroom.
Hawking	<u>Fatimah Abdur-Rahim</u> Fatimah always aims high. She shows creativity and determination in all she does and her success across all subjects reflects her hard work. Keep aspiring to be the best you can be and you will reach the stars Fatimah!	<u>Aleksander Vladov</u> Alex's attitude to learning is fantastic. He is focused in lessons and always does his best. He has applied this positive attitude throughout the school day, showing care and consideration for his friends and his schoolwork. You should be very proud of yourself Alex!
Gandhi	<u>Indea Roberts - Charters</u> Indea has been working hard on her maths and has really developed her confidence in an area that she finds challenging. She has shown perseverance and determination; her hard work is paying off.	<u>Rafi Faisal Alam</u> Rafi is new to Park Primary and has had a wonderful attitude to his learning from the moment he joined us. He always strives for his best and participates enthusiastically in lessons.
Rosa Parks	<u>Johan Marin Saenz</u> Your enthusiasm for learning has resulted in you making some great progress this term. Thank you for always trying your very best in lessons. Your amazing energy and focus have really helped you to improve. Please keep it up next term!	<u>Nuaymah Uddin</u> For always displaying the most wonderful attitude towards school life. You are a great learning partner and role model for other members of the class, and you demonstrate a thoughtful and focused approach towards your learning at all times. Keep up the good work!
Helen Keller	<u>Guneet Nazran</u> For working really hard to develop her understanding of maths concepts. She always tries her best when solving problems and although some may seem challenging she never gives up, she perseveres.	<u>Deshraj Bhakar</u> For being a positive role model and demonstrating high expectations. He cares for, supports and encourages his peers and shows an eagerness to find out more and seek new challenges.
Malala	<u>Ziaur Rahman</u> You have made fantastic progress across all subjects this term, you have a wonderful ability to digest learning and share it with others, in your calm understated manner.	<u>Clemente Graca Dos Santos</u> You always come to school with a big smile on your face, a can-do attitude and a caring outlook. You make Mandela class a brighter place for all.
Pankhurst	<u>Saarah Abdulsattar</u> For making progress in all areas of the curriculum by persevering no matter how difficult the challenge was for her.	<u>Harris Rahman</u> For always being interested and enthusiastic about every lesson.
Mandela	<u>David Zilinskas</u> Through his desire and drive to learn and improve, he has made fantastic progress. His progress is a testament to his growth mindset. Never give up.	<u>Saarah Faruk</u> She has displayed a constant positive learning attitude, always wanting to improve and always showing determination.

BACK TO SCHOOL – Thursday 4th January 2017
Wishing you a safe, healthy, happy holiday from all at Park.

Park Primary Parent Teacher Association

Park Primary PTA News

Thanks to everybody who came along to our cakebake sale. We will let you know how much we have raised as soon as possible.

This term your support helped The PTA to fund the following projects:

- We organised and paid for WestEnd in Schools to visit.
- We bought a gift of a book for every child in the school which was delivered to them by Father Christmas!

Thank You!

Please continue to support our PTA and come along and help if you can. The money we raise helps us fund more projects, events and equipment for all Park Primary children.

We wish you a Merry Christmas and a Happy New Year!

Breakfast Club Special Breakfast

Breakfast Club celebrated the end of term and start of the holiday with a special breakfast. The children sat down to a banquet of fresh fruit platters, cheese, cereal 'cakes', brioche and bread sticks alongside their usual cereal, porridge and toast options.

Mrs Ttoffali and Miss Critchley were honoured to be invited along too.

Thank you to Ms Adil and Ms Sultana for arranging the breakfast.

Our breakfast club runs from 7:45am every morning. If you would like your child to join, please speak to a member of the office staff for further details.

Parent Workshops

Key Stage 2 Mathematics Workshop – Friday 19th January, 2:00pm

A workshop for parents of children in Years 3, 4, 5, & 6. In response to your feedback, the workshop will cover addition, subtraction, multiplication and division. A separate Bar Modelling workshop will be arranged at a separate date.

Online Safety Workshop – Thursday 25th January, 2:00pm

We have invited ECP (Education Child Protection) into school to work with our Year 5 & 6 children, staff and parents. ECP come highly recommended and they will be delivering their Online Safety for Parents Presentation.

In the digital age in which we live, there are many ways that young people can communicate with other people. This session is a 'must' for all those who are concerned about the safety of their children when using technology.

There are 3 areas to be covered in the session:

- *How we educate children regarding staying safe online*
- *Update into the online world of children*
- *Making things safer at home*

This dynamic, high quality presentation enables parents to understand the wide array of applications (apps) and websites out there today, particularly those that children and young people use.

Booking details to follow.

Forest School Visit

The year one children have been on more Epping Forest adventures . Aldrin were lucky enough to meet two very friendly young swans who were hoping we had brought them some food! They enjoyed jumping in muddy puddles and spent a long time concentrating on decorating trees with clay and natural objects. One group also enjoyed hiding in dens and adding some sticks of their own.

One group in Attenborough were lucky enough to still have snow on their visit to Epping Forest. We had to be careful as it was very slippery. The children enjoyed pretending to ice skate! We found lots of snow people and snow huts and enjoyed throwing snowballs. They were great at finding ways to cross the stream and found sticks to dangle in and pretend to fish!

Look out for photos of the visit on the school website in early January.

Park's Chess Masters

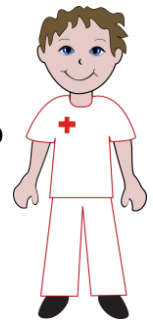

On Wednesday, a group of chess masters from Park Primary took part in a national chess tournament, The Chess Classic 2017, at London Olympia. All the children had a tutorial from a Grand Chess Master, before taking them on in a match against the Grand Masters. All the children performed fantastically well in the main tournament in the afternoon, with some individual medallists: Isaac (Silver Yr 6), Wilford (Bronze Yr6), Jenson (Gold Yr 4), Hanifah and Eva (both Bronze Yr 4). As a school, we came second in the overall rankings – which is an amazing achievement. Mr Ttoffali would like to thank all our players, who were a fantastic credit to the school, so congratulations also to Clemente, Moiz, Ismail, Khadija K, Saihan, Christina, and Beth. We are so proud of you all.

Year 2 Star!

We were very proud to hear about the bravery of one of our Year 2 pupils, Deen from Pasteur Class, when his baby brother fell and hit his head. Deen's mummy said that Deen was amazing; he remained calm, despite there being lots of blood, and he was able to help his mum without panicking. Well done Dr Deen!

We are very pleased to report that Deen's brother is absolutely fine. He's lucky to have such a great big brother!

Please talk to your child about what to do in the event of an emergency. The Red Cross website has lots of resources for you to use with your child. <http://www.redcross.org.uk/What-we-do/Teaching-resources/Teaching-packages/Microsite/Life-Live-it-first-aid-education-for-children>

Additionally, there is a First Aid Skills section for you to refer to outlining first aid skills to keep your children safe. <http://www.redcross.org.uk/What-we-do/First-aid/Baby-and-Child-First-Aid>
