Word of the Week

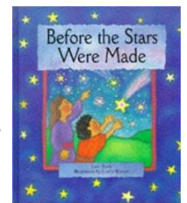

Key Stage 1: **religion**

The children will be reading the story *Before the Stars were Made*

Key Stage 2: **excitement**

Value of the Week

This week, we will be thinking about '**democracy**' in our values assemblies.

This Week's Learning Power:

Enjoy Learning – be a Proud Peacock!

Proud Peacock reminds us to enjoy our learning by:

- Having fun;
- Taking pride in our learning;
- Feeling our brain working;
- Showing satisfaction and care in our work;
- Showcasing our work;
- By being intrinsically motivated to do our best.

Park Ponders

This week's Park Ponders question is...

Who is your greatest influence? Why?

Thought for the Week

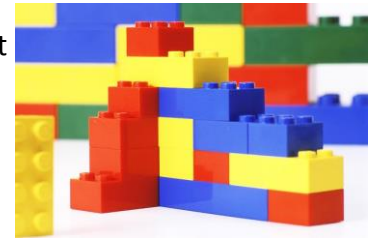

"It's not enough to be friendly. You have to be a friend."

Wonder

Lego Donations Please

You may have noticed some new Lego stations in the playground, although they are currently covered in tarpaulin so you would be forgiven for not knowing what they are! The Lego stations are for the children to use at playtimes and lunchtimes but we do not currently have enough Lego for them to be used as intended. If you have any Lego at home that you no longer use, please could you consider donating it to the school so that the children can unleash their creativity in the playground. Any donations, no matter how small, would be gratefully received.

Chatting with your Child

Do you get the same answer every day from your child when you ask about their day? Try asking this week's alternative question instead.

What made your teacher smile today? What made them frown?

Year 3 Visit

On Monday 12th March, we went to a reform synagogue in Newbury Park. We listened to Rabbi David speak and he taught us that there are many similarities between: Islam, Christianity and Judaism.

We got to hold a Bible written in Hebrew and we also got to see the Jewish Torah which is written on a scroll and is kept in a locked cupboard called the ark.

This was a Year 3 visit as part of our 'Place of Worship' learning.

Yusuf K, Soulimane & Uzair, Year 3
