This Week's Learning Power

Each week we focus on a different Learning Power – a key skill to be an effective learner. Each skill is associated with an animal.

This week we are focusing on **being co-operative**.

We talk about **Slinky Linky Snake**.

Being co-operative requires us to:

- listen to others;
- say when we don't understand;
- explain things to help others;
- be kind when we disagree;
- compromise when necessary;
- be tolerant.

Park Ponders

This week's Park Ponders question is...

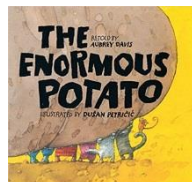

What are the things that hold you back from doing the things that you really want to do?

Word of the Week

Key Stage 1: **teamwork**

The children in Key Stage 1 will be reading and discussing *The Enormous Potato*.

Key Stage 2: **achievement**

Thought for the Week

“ When you are kind to others, it not only changes you, it changes the world. ”

– Harold Kushner

Weekly Science Fact

This week's science fact to ponder and discuss is.....

Magnets have a magnetic north pole and a magnetic south pole. If the same pole of two magnets are placed near each other they will push away (repel), while if different poles are placed near each other they will pull together (attract).

What's That Word/Phrase?

Well done to those of you who found out that last week's phrase 'la mer' means 'the sea'.

This week's word is 'Les fraises'.

School Photograph Reminder

Please return school photo orders (class, friends, individual photo orders) to the school office **by Friday 27th of June** to ensure you receive your printed order before the end of the school year.

Please email lily@lilysawyer.com for digital orders or late orders. Late orders will incur an extra postage fee because they would need to be ordered separately. Thank you.

Athletic Superstars visit Park

Thursday 21st June marked one month to go until the Müller Anniversary Games, the premier athletics event in the UK. We were extremely fortunate to receive a visit from British Athletics with leading British Olympic and Paralympic stars Reece Prescod and Stef Reid.

Some of our Year 5 & 6 children participated received were lucky enough to receive some coaching from Reece and Stef. A snapshot of the morning was shown on ITV news too!

More photographs will be published on our school website in the coming days.
