Re: **School closure 23/3/2020 until further notice- PLEASE COMPLETE THE QUESTIONNAIRE**

Dear Parents/Carers,

19.3.2020

As you are no doubt aware, the Government announced the closure of all UK schools, from the end of the school day this Friday 20th March 2020, for the foreseeable future. You will have heard that there are some exceptions to this rule, with the announcement stating that schools should be open for the children of key workers. Key workers mentioned were NHS, Police and emergency services, carers and supermarket delivery drivers. Some vulnerable groups will also be eligible to attend.

At Park, we are keen to support our community wherever possible without wishing to undermine the Government's effort to physically distance ourselves in order to stay safe.

You will have received a questionnaire asking you to declare your status regarding whether you consider yourself to be a key worker. Please complete this questionnaire as soon as possible in order that we can collate a new register of children for whom we will be open from Monday. If you are a key worker but do not need the childcare which we will be providing, the questionnaire allows you to state this.

Tomorrow we will contact you if your child is to come to school from Monday.

If your child is to stay at home, we will send a letter out tomorrow which will provide as much detail as possible to let you know of the learning and support arrangements whilst we are closed.

For now, please talk to your child about whether they are able to access Google Classroom and if they are not, please contact the school tomorrow so we can get the appropriate measures in place.

The latest update will always be on our website www.park.newham.sch.uk

We will do all we can to maintain communication at this challenging time and will be checking in with your children weekly to ensure they are ok. We will also do all we can to support you, as parents and carers, through what we know will be a period of uncertainty and anxiety.

Yours faithfully,

Natasha Ttofalli
