Re: Hello again from all at Park!

Dear Parents, Carers and community of Park Primary,

We hope that you are all staying safe and well and that your family are beginning to settle into some sort of routine, albeit an unusual one I'm sure.

We have been continuing to make our weekly phone calls home to check in with the children and it has been wonderful to hear all about the learning and activities they have been engaged with. It has been equally lovely to see the children's learning online in Google Classroom or on Tapestry, along with the work that has been sent into the info account. Thank you for sharing it and please continue to do so.

The coming two weeks are the Easter holiday period (Monday 6th April - Friday 17th April) and whilst school remains open for the families of Key Workers and vulnerable children, we are trying as far as possible to safeguard the time for children and staff to take a well deserved break.

This will mean the following:

- staff will not be making weekly phone calls home;
- academic work will not be posted on Google Classroom or Tapestry;
- there will be a skeleton staff in school providing safe supervision for the children who are booked in but they will not have the capacity to offer support with administrative duties (e.g. requested letters, printing etc.);
- non-urgent emails will not be responded to.

Having said that, please do know that:

- staff will be there to support you and your family if you need it (call the school number or the emergency number below if need be);
- Mr Walker has been producing a series of creative challenges that the children may choose to engage with as something to keep them busy. The challenges will be shared via our new **Park Primary Home Learning** YouTube Channel (the link has been shared on the Home Learning Page of the school website). He will be providing regular updates via Twitter (@ParkPrimaryE15) too so keep your eyes and ears open! Please note that you don't need a Twitter account to see our updates.
- there will be occasional posts to Google Classroom and Tapestry of activities for the children to engage with that are not linked to learning.

We wish you a relaxing and safe break.

Yours faithfully,

Natasha Ttofalli

Synopsis of content: please expect contact from school to be reduced over the Easter holiday period but if you do need us, we are here for you. Take a look at our new Park Primary Home Learning Channel to find activities the children can engage with over the holiday period.
