Re: **Wednesday 24th June is the deadline; if your child is in Y1 or Y6 and you wish for them to return for the last three weeks of term, you MUST let us know by Wednesday for a return on 29/6/20**

Dear Parents and Carers of children in Year 6 (Pod 2) and Year 1 (Pod 3),

As parents and carers of children who have been given the option of attending school recently, I write to you as we are further considering what we might be able to offer more widely to other groups of children.

To date, we have stated that you can add your child to a pod by letting us know on Wednesday if you wish for them to return on the following Monday. We have allowed this to happen so that you could have the opportunity to take a little time coming to a decision. We have decided that **Wednesday 24th June will be the last day which you can register your child for them to be in school for the last three weeks of term.** If you have not registered them by the end of the day on Wednesday, then there will not be a space for them in a pod for the remainder of this academic year. If you wish for your child to return, please inform us by emailing info@park.newham.sch.uk or calling the school office on 020 8534 4065.

We have taken this decision so that, on Thursday 25th June, we can see how many staff and rooms we have available which we then might be able to offer to other year groups. We feel that, if we have the capacity, it would be the right thing to do to offer something to year groups who have not had the option to attend (maybe Y2/Y3/Y4 or Y5) or perhaps we could offer something to groups of children who we feel would benefit from coming back to school. Even if we can only offer a couple of days to different groups we would hope this might make the children happy and may ease some concerns that people may have regarding September.

Aside from this, we would like to make you aware that we are currently making plans for a Year 6 Leavers' Day (details to follow in due course) on Monday 20th July. Please note that your child does not have to have been attending school as part of Pod 2 to join these celebrations.

We thank you for understanding that we need to know your intentions so that we can offer your child's place to someone who may want it, if you do not.

Yours faithfully and respectfully,

Natasha Ttofalli
