Re: some potential sessions in school for Y3 and Y4

Dear parent/ carer of a child/children in Year 3 and Year 4,

As you know we have been able to follow the Government directive and offer some provision to most year groups in the school for the last couple of weeks. Unfortunately, given limitations upon class sizes and social distancing measures, there is not the capacity in school to invite all Y3/4 children back in the same way that we have been able to for Years 1, 6 and EYFS.

That being said, we are guided by the need to place the wellbeing of all children at the heart of what we do and the children's welfare is of prime importance to us. Therefore, in order to prepare the children for the return to school in September we would like to put forward a limited offer to your child/ children. Our aim is to try to mitigate some of the emotional and mental-health stresses they may have been experiencing; we would like to invite them back to school for some short sessions which would focus on well-being.

In order for us to be able to see what we might be able to offer, we are asking you whether you would be likely to take up your child's place. In order to manage expectation, it is necessary to state that this is most likely to look like a couple of three hour sessions. The provision would be mostly outdoors but we would also like to invite the children into class in order to attempt to alleviate some of their anxieties around being in school.

If you would like your child to participate in these sessions, please can you:

- 1) Complete the following form (<https://forms.gle/RDK6qfqFNquNmM7j9>) by **9:00am on Tuesday 30th June** to register your interest or to decline the offer at this time.
- 2) Appreciate that your child can only attend if we have been informed. If their name is not on our temporary register they will not be allowed into school.
- 3) If you say yes, be mindful of more immediate communication which may require a response. All the measures which we have put in place require awareness, responsibility and agreed compliance by all.

We look forward to hearing from you.

Warm regards,

Natasha Ttofalli

Action required: If you wish for your child in Y3 or Y4 to come into school at some point in the last few weeks, can you please complete the form.
