Re: July Plans at Park

Dear Parents, Carers and Community of Park Primary,

Firstly, my very best wishes to you all; I hope you are keeping well and happy at this challenging time.

As you will know, we have 4 Pods of children in school now and about 180 children on site daily. These children are being taught in smaller class sizes (bubbles) and are entering and exiting at staggered times and through various gates in order to limit cross pod contact and to avoid many people being in one place at any given time.

We really would like to further invite as many children as possible before the Summer Holidays so that there is an opportunity for them to be together and to allay any concerns they may have. We are however confined by our capacity in terms of numbers of staff, rooms and time (please appreciate that, as we have so many children still at home, there is an ongoing commitment to online learning etc).

Therefore this week we have sent out further invitations to parents of children in Year 2 and Year 5 and a further sessional offer will be made to the children in Years 3 and 4. Additionally we are extending our end of term so that the Year 6 children have an opportunity to get together before we say our final goodbyes to them (on Monday 20th July Y6 will be on site - a day for all to return regardless of whether they have been in Pod 2) and on Tuesday 21st July we aim to have a staggered 'Hello' day for our new starters into Reception in September.

Next week we hope to hear some detail from the Government with further information relating to general provision in September and how we might safely move from smaller bubbles to bubbles of 30. We are currently working on Park's plans for the next phase of the return; these will be shared with you as soon as we have a clear Government directive.

Yours faithfully and respectfully as always,

Synopsis of content:

- If your child is in Y5, Y4, Y3 or Y2 and you wish for them to come back into school pre the Summer Holidays, please look out for communication and complete the necessary paperwork.
- Expect information in the next couple of weeks relating to September's return.
