Re: Happy Holidays!

Dear Parents, Carers and Community of Park Primary,

Today is officially the last day of the Summer Term and what a term it has been; in fact what a year it has been!

Looking back, it feels like we should all be very proud of what has been achieved in such challenging times. I am personally very proud of the entire community for working well together and staying close even though we have not been able to be physically together. I could not be more proud of every single member of staff for putting the children first at all times and working with such a caring and meticulous approach. You, as parents and carers, should be proud too; it has been tough.

Today we say farewell to our Year 6 children. I am so sad that their last year of primary school was cut short but I would like to take this opportunity to wish them all every success at secondary school and beyond; work hard, be kind and you will not go far wrong!

To those of you who we will see in September, please note that there will be new start times in order to alleviate some of the congestion at the start and end of the day. **It is essential for your child to arrive before the end of their start time.**

	Start	Finish
Lower School (Years 1 and 2 20-21)	9:00 (until 9:10)	3:15
Middle School (Years 3 and 4 20-21)	8:50 (until 9:00)	3:05
Upper School (Years 5 and 6 20-21)	8:40 (until 8:50)	2:55

I wanted to give you notice of this change but further details will follow on 4/9/20.

All that remains to be said is thank you for your support over the course of the year and, in particular, over the last 4 months. As always, you have been patient, understanding, cooperative and appreciative and our jobs would be so much harder without that. Thank you and please stay safe and enjoy the family time. Yours in appreciation,

Natasha Ttoffali

Synopsis of content: Please enjoy your summer. I will be in touch on Friday 4th September with a reminder of all the things which need to be considered for the start of term. I will resend the table above at that time. I will also produce an information Youtube video for you to watch and familiarise yourself with the measures we are putting in place.
