Re: Updates for next week (w.c. 6/7/20)

Dear Parents, Carers and Community of Park Primary,

Firstly, please allow me to reassure you that we have received yesterday's Government Guidance for September plans (to include all children and expect a full return) and we will communicate our intentions to you as soon as we have assessed the risk and consulted the Governing Board. Our return to school date on the website is 7th September (and this is unlikely to change) but it is likely that in w.c 7/9 and w.c 14/9 we will need some time with half a class at a time. We will be looking to definitely (subject to there being no significant upward change in local/national infection data) expect all children back in school in classes of 30 in w.c.21/9/20.

Please may we advise that term officially ends for all pupils on 17th July. This includes all Pod 1 Children, there will be no key worker/ vulnerable childcare at Park available in the Summer Holidays.

We have nearly 220 children on site daily in various groups and as these groups are smaller, more staff are required for smaller amounts of children. This great number means that there are less adults able to continue with the online learning and we have therefore decided that **all online learning and phone calls for this academic year will finish on Wednesday 8th July.**

As we are finishing the online learning we would like to collect the devices that we have loaned. During this week's phone calls, teachers will inform you of the time slot when your child's device should be returned. Please ring the school buzzer located at the school gate and a member of staff will meet you to collect the device.

Have a relaxing and safe weekend everyone.

Yours faithfully and respectfully as always,
