## **1. Introduction and Overview**

### **Rationale**

**The purpose of this policy is to:**

- Set out the key principles expected of all members of the school community at Park Primary School with respect to the use of IT - based technologies.
- Safeguard and protect the children and staff.
- Assist school staff working with children to work safely and responsibly with the Internet and other IT and communication technologies and to monitor their own standards and practice.
- Set clear expectations of behaviour and/or codes of practice relevant to responsible use of the Internet for educational, personal or recreational use for the whole school community.
- Have clear structures to deal with online abuse such as online bullying
- Ensure that all members of the school community are aware that unlawful or unsafe behaviour is unacceptable and that, where appropriate, disciplinary or legal action will be taken.
- Minimise the risk of misplaced or malicious allegations made against adults who work with students.

**The main areas of risk for our school community can be summarised as follows:**

### **Content**

- Exposure to inappropriate content
- Lifestyle websites promoting harmful behaviours
- Hate content
- Content validation: how to check authenticity and accuracy of online content

### **Contact**

- Grooming (sexual exploitation, radicalisation etc.)
- Online bullying in all forms
- Social or commercial identity theft, including passwords

### **Conduct**

- Aggressive behaviours(bullying)
- Privacy issues, including disclosure of personal information
- Digital footprint and online reputation
- Health and wellbeing (amount of time spent online, gambling, body image)
- Sexting
- Copyright (little care or consideration for intellectual property and ownership)

### **Communication:**

The policy will be communicated to staff/pupils/community in the following ways:

- Policy to be posted on the school website/ school library / curriculum network class.
- Policy to be part of school induction pack for new staff.
- Regular updates and training on online safety for allstaff.
- Acceptable use agreements discussed with staff and pupils at the start of each year.  
Acceptable use agreements to be issued to whole school community, on entry to the school.

### **Handling Incidents:**

Owing to the international scale and linked nature of internet content, the availability of mobile technologies and speed of change, it is not possible to guarantee that unsuitable material will never appear on a school computer or mobile device. Neither the school nor the Local Authority can accept liability for material accessed, or any consequences of internet access. However:

- The school will take all reasonable precautions to ensure online safety.
- Staff and pupils are given information about infringements in use and possible sanctions – see appendix 4.
- Online Safety Coordinator acts as first point of contact for any incident.
- Any suspected online risk or infringement is reported to Online Safety Coordinator that day and documented.
- Online Bullying incidents will be reported and acted upon in accordance with our Bullying Policy.
- Complaints related to Child Protection are dealt with in accordance with our Child Protection Policy.
- Any concern about staff misuse is always referred directly to the Headteacher, unless the concern is about the Headteacher in which case the complaint is referred to the Chair of Governors and the LADO (Local Authority's Designated Officer).
- Sanctions applied may include; meeting with parents / carers, removal of internet access, recording of incident in appropriate school log, referral to LA /Police.

### **Review and Monitoring**

The online safety policy is referenced within other school policies (e.g. Safeguarding and Child Protection policy, Anti-Bullying policy, PSHE, Computing policy).

Park is an inclusive school where we focus on the wellbeing and progress of every child and where all members of our community are of equal worth. We believe that the Equality Act 2010 provides a framework to support our commitment to valuing diversity, tackling discrimination, promoting equality and fostering good relationships between people. It also ensures that we continue to tackle issues of disadvantage and underachievement of different groups. We recognise that these duties reflect international human rights' standards as expressed in the UN Convention on the Rights of the Child, the UN Convention on the Rights of People with Disabilities, and the Human Rights Act 1998.

---

- The online safety policy will be reviewed annually or when any significant changes occur with regard to the technologies in use within the school.
- There is widespread ownership of the policy and it has been agreed by the SLT and approved by Governors. All amendments to the school online safety policy will be disseminated to all members of staff and pupils.

## **2. Education and Curriculum**

### **Pupil online safety curriculum**

#### **This school:**

- has a clear, progressive online safety education programme which is embedded across the curriculum. This covers a range of skills and behaviours appropriate to their age and experience, covering topics such as online bullying, sexting, online contact and communications, authenticity of online content, copyright etc (see subject leader for full details);
- plans online use carefully to ensure that it is age-appropriate and supports the learning objectives for specific curriculum areas;
- will remind students about their responsibilities through the pupil Acceptable Use Agreement(s); appendix 2
- ensures staff are aware of their responsibility to model safe and responsible behaviour in their own use of technology, e.g. use of passwords, logging-off, use of content, research skills, copyright; appendix 1
- ensures that staff and pupils understand issues around plagiarism; how to check copyright and also know that they must respect and acknowledge copyright/ intellectual property rights; appendices 1, 2 ensure pupils only use school-approved systems and publish within appropriately secure / age-appropriate environments.

### **Staff and governor training**

#### **This school:**

- makes regular training available to staff on online safety issues and the school's online safety education program;
- provides as part of the induction process, all new staff [including those on university/college placement and work experience] with information and guidance on the Online Safety Policy and the school's Acceptable Use Agreements.

### **Parent awareness and training**

Park is an inclusive school where we focus on the wellbeing and progress of every child and where all members of our community are of equal worth. We believe that the Equality Act 2010 provides a framework to support our commitment to valuing diversity, tackling discrimination, promoting equality and fostering good relationships between people. It also ensures that we continue to tackle issues of disadvantage and underachievement of different groups. We recognise that these duties reflect international human rights' standards as expressed in the UN Convention on the Rights of the Child, the UN Convention on the Rights of People with Disabilities, and the Human Rights Act 1998.

---

### **This school:**

- provides online safety information and guidance at initial meeting including AUP signing;
- runs a rolling programme of online safety advice, guidance and training for parents.

## **3. Expected Conduct and Incident management**

### **Expected conduct**

#### **In this school, all users:**

- are responsible for using the school IT and communication systems in accordance with the relevant Acceptable Use Agreements;
- understand the significance of misuse or access to inappropriate materials and are aware of the consequences;
- understand it is essential to report abuse, misuse or access to inappropriate materials and know how to do so;
- understand the importance of adopting good online safety practice when using digital technologies in and out of school;
- know and understand school policies on the use of mobile and hand held devices including cameras.

#### **Staff, volunteers and contractors**

- know to be vigilant in the supervision of children at all times, as far as is reasonable, and uses common-sense strategies in learning resource areas where older pupils have more flexible access;
- know to take professional, reasonable precautions when working with pupils, previewing websites before use;
- using age appropriate and child friendly search terms where more open Internet searching is required with younger pupils.

#### **Parents/Carers**

- should provide consent for pupils to use the Internet, as well as other technologies, as part of the online safety acceptable use agreement form;
- should know and understand what the school's rules of appropriate use for the whole school community are and what sanctions result from misuse.

### **Incident Management**

Park is an inclusive school where we focus on the wellbeing and progress of every child and where all members of our community are of equal worth. We believe that the Equality Act 2010 provides a framework to support our commitment to valuing diversity, tackling discrimination, promoting equality and fostering good relationships between people. It also ensures that we continue to tackle issues of disadvantage and underachievement of different groups. We recognise that these duties reflect international human rights' standards as expressed in the UN Convention on the Rights of the Child, the UN Convention on the Rights of People with Disabilities, and the Human Rights Act 1998.

---

### **In this school:**

- there is strict monitoring and application of the online safety policy and a differentiated and appropriate range of sanctions;
- all members of the school are encouraged to be vigilant in reporting issues, in the confidence that issues will be dealt with quickly and sensitively, through the school's escalation processes;
- support is actively sought from other agencies as needed (i.e. the local authority, NPW, LGfL, UK Safer Internet Centre helpline, Child Exploitation and Online Protection Centre (CEOP), Prevent Officer, Police, Internet Watch Foundation (IWF) in dealing with online safety issues;
- monitoring and reporting of online safety incidents takes place and contribute to developments in policy and practice in online safety within the school;
- parents/carers are specifically informed of online safety incidents involving young people for whom they are responsible;
- the Police will be contacted if one of our staff or pupils receives online communication that we consider is particularly disturbing or breaks the law;
- we will immediately refer any suspected illegal material to the appropriate authorities – Police, Internet Watch Foundation and inform the LA.

## **4. Managing IT and Communication System**

### **Internet access, security (virus protection) and filtering**

#### **This school:**

- Informs all users that Internet/email use is monitored.
- Has the educational filtered secure broadband connectivity through the LGfL.
- Uses the LGfL filtering system which blocks sites that fall into categories (e.g. adult content, race hate, gaming). All changes to the filtering policy are logged and only available to staff with the approved 'web filtering management' status.
- Uses USO user-level filtering where relevant. Ensures network health through use of Sophos anti-virus software (from LGfL).
- Uses DfE, LA or LGfL approved systems including DfE S2S, LGfL USO FX2, Egress secure file/email to send 'protect-level' (sensitive personal) data over the Internet.
- Uses encrypted devices or secure remote access where staff need to access 'protect-level' (sensitive personal) data off-site.
- Works in partnership with the LGfL to ensure any concerns about the system are communicated so that systems remain robust and protect students.

### **Network management (user access, backup)**

Park is an inclusive school where we focus on the wellbeing and progress of every child and where all members of our community are of equal worth. We believe that the Equality Act 2010 provides a framework to support our commitment to valuing diversity, tackling discrimination, promoting equality and fostering good relationships between people. It also ensures that we continue to tackle issues of disadvantage and underachievement of different groups. We recognise that these duties reflect international human rights' standards as expressed in the UN Convention on the Rights of the Child, the UN Convention on the Rights of People with Disabilities, and the Human Rights Act 1998.

---

### **This school:**

---

- All IT and communications systems installed professionally and regularly reviewed to ensure they meet health and safety standards.

### **Password policy**

- This school makes it clear that staff and pupils must always keep their passwords private, must not share with others. If a password is compromised the school should be notified immediately.
- All staff have their own unique username and private passwords to access school systems. Staff are responsible for keeping their password(s) private.
- We require staff to use STRONG passwords.
- We require staff to change their passwords into the MIS, LGfL USO admin site, every 90 days/twice a year.
- We require staff using critical systems to use two factor authentication.

### **E-mail**

#### **This school**

- Provides staff with an email account for their professional use, LGfL email and makes clear personal email should be through a separate account.
- We use anonymous or group e-mail addresses, for example info@schoolname.la.sch.uk/head@schoolname.la.sch.uk/or class e-mail addresses.
- Will contact the Police if one of our staff or pupils receives an e-mail that we consider is particularly disturbing or breaks the law.
- Will ensure that email accounts are maintained and up to date.
- We use a number of LGfL-provided technologies to help protect users and systems in the school, including desktop anti-virus product Sophos, plus direct email filtering for viruses.

#### **Pupils:**

- Use Gmail pupil email system within the Google for Education secure domain which is intentionally 'anonymised' for pupil protection.
- Are taught about the online safety and 'netiquette' of using e-mail both in school and at home.

#### **Staff:**

- Will use Gmail as part of Google for Education domain or LGfL e-mail systems for professional purposes.

Park is an inclusive school where we focus on the wellbeing and progress of every child and where all members of our community are of equal worth. ---

- Access in school to external personal e mail accounts may be blocked.
- Never use email to transfer staff or pupil personal data. 'Protect-level' data should never be transferred by email. If there is no secure file transfer solution available for the situation, then the data / file must be protected with security encryption.

### **School website**

- The Head Teacher, supported by the Governing body, takes overall responsibility to ensure that the website content is accurate and the quality of presentation is maintained.
- The school website complies with statutory DFE requirements.
- Most material is the school's own work; where others work is published or linked to, we credit the sources used and state clearly the author's identity or status.
- Photographs published on the web do not have full names attached. We do not use pupils' names when saving images in the file names or in the tags when publishing to the school website.

### **Cloud Environments**

- Uploading of information on the schools' online learning space is shared between different staff members according to their responsibilities e.g. all class teachers upload information in their class areas.
- Photographs and videos uploaded to the school's online environment will only be accessible by members of the school community.
- In school, pupils are only able to upload and publish within school approved 'Cloud' systems.

### **Social networking**

#### **Staff, Volunteers and Contractors**

- Staff are instructed to always keep professional and private communication separate.
- Teachers are instructed not to run social network spaces for student use on a personal basis or to open up their own spaces to their students, but to use the schools' preferred system for such communications.

#### **School staff will ensure that in private use:**

- No reference should be made in social media to students/pupils, parents/carers or school staff.
- They should not be online friends with any pupil/student. Any exceptions must be approved by the Head Teacher.
- They do not engage in online discussion on personal matters relating to members of the school community.

Park is an inclusive school where we focus on the wellbeing and progress of every child and where all members of our community are of equal worth. - Personal opinions should not be attributed to the school /academy or local authority and personal opinions must not compromise the professional role of the staff member, nor bring the school into disrepute.
- Security settings on personal social media profiles are regularly checked to minimise risk of loss of personal information.

#### **Pupils:**

- Are taught about social networking, acceptable behaviours and how to report misuse, intimidation or abuse through our online safety curriculum work.
- Are required to sign and follow our [age appropriate] pupil Acceptable Use Agreement appendix 2.

#### **Parents:**

- Are reminded about social networking risks and protocols through our parental Acceptable Use Agreement appendix 3, Parents and Carers Online Safety Workshops, and additional communications materials when required.
- Are reminded that they need to ask permission before uploading photographs, videos or any other information about other people.

#### **CCTV**

We have CCTV in the school as part of our site surveillance for staff and student safety. The use of CCTV is clearly signposted in the school. We will not reveal any recordings without appropriate permission.

### **5. Data security: Management Information System access and Data transfer**

#### **Strategic and operational practices**

##### **At this school:**

- The Head Teacher is the Senior Information Risk Officer(SIRO).
- Staff are clear who are the key contact(s) for key school information (the Information Asset Owners) are. We have listed the information and information asset owners.
- We ensure staff know who to report any incidents where data protection may have been compromised.
- All staff are DBS checked and records are held in a single central record.

##### **Technical Solutions**

- Staff have secure area(s) on the network to store sensitive files.

Park is an inclusive school where we focus on the wellbeing and progress of every child and where all members of our community are of equal worth. We believe that the Equality Act 2010 provides a framework to support our commitment to valuing diversity, tackling discrimination, promoting equality and fostering good relationships between people. It also ensures that we continue to tackle issues of disadvantage and underachievement of different groups. We recognise that these duties reflect international human rights' standards as expressed in the UN Convention on the Rights of the Child, the UN Convention on the Rights of People with Disabilities, and the Human Rights Act 1998.

---

- We require staff to log-out of systems when leaving their computer, but also enforce lockout after idle time.
- We use the LGfL USO AutoUpdate, for creation of online user accounts for access to broadband services and the LGfL content.
- All servers are in lockable locations and managed by DBS-checked staff.
- Details of all school-owned hardware will be recorded in a hardware inventory.
- Details of all school-owned software will be recorded in a software inventory.
- Disposal of any equipment will conform to The Waste Electrical and Electronic Equipment Regulations 2006 and/or The Waste Electrical and Electronic Equipment (Amendment) Regulations 2007. Further information can be found on the Environment Agency website.
- Where any protected or restricted data has been held we get a certificate of secure deletion for any server that once contained personal data.

## **6. Equipment and Digital Content**

### **Mobile Devices (Mobile phones, tablets and other mobile devices):**

- Mobile devices brought into school are entirely at the staff member, students & parents or visitors own risk. The School accepts no responsibility for the loss, theft or damage of any phone or hand held device brought into school.
- All visitors are requested to keep their phones on silent.
- The recording, taking and sharing of images, video and audio on any personal mobile device is to be avoided, except where it has been explicitly agreed by the Head Teacher. Such authorised use is to be recorded. All mobile device use is to be open to monitoring scrutiny and the Head Teacher is able to withdraw or restrict authorisation for use at any time, if it is deemed necessary.
- The School reserves the right to search the content of any mobile devices on the school premises where there is a reasonable suspicion that it may contain illegal or undesirable material, including pornography, violence or bullying.

### **Storage, Syncing and Access**

#### **The device is accessed with a school owned account**

- The device has a school created account and all apps and file use is in line with this policy. No personal elements may be added to this device.
- PIN access to the device must always be known by the Head Teacher.

#### **The device is accessed with a personal account**

- If personal accounts are used for access to a school owned mobile device, staff must be aware that school use will be synched to their personal cloud, and personal use may become visible in school and in the classroom.
- PIN access to the device must always be known by the networkmanager.
- Exit process – when the device is returned the staff member must log in with personal ID so that the device can be Factory Reset and cleared for reuse.

### **Students' use of personal devices**

- No students should bring his or her mobile phone or personally-owned device into school. Devices which are bought in must be handed in to SLT or class teacher at the start of the day. Any device brought into school and not handed in will be confiscated.
- If a student breaches the school policy, then the device will be confiscated and will be held in a secure place in the school office. Mobile devices will be released to parents or carers in accordance with the school policy.
- Students should protect their phone numbers by only giving them to trusted friends and family members. Students will be instructed in safe and appropriate use of mobile phones and personally-owned devices and will be made aware of boundaries and consequences.
- If a student needs to contact his or her parents or carers, they will be allowed to use a school phone. Parents are advised not to contact their child via their mobile phone during the school day, but to contact the school office.

### **Staff use of personal devices**

- Staff are not permitted to use their own mobile phones or devices in a professional capacity, such as for contacting children, young people or their families within or outside of the setting.
- Staff will be issued with a school phone where contact with students, parents or carers is required, for instance for off-site activities.
- Personal mobile devices will not be used during lessons or formal school time unless as part of an approved and directed curriculum-based activity with consent from Head Teacher / SLT. See Staff Handbook.
- Staff may use their phones during break times. If a staff member is expecting a personal call they may leave their phone with the school office to answer on their behalf, or seek specific permissions to use their phone at other than their break times.
- Staff should not use personally-owned devices, such as mobile phones or cameras, to take photos or videos of students and will only use work-provided equipment for this purpose.
- In an emergency where a staff member doesn't have access to a school-owned device, they should use their own device and hide (by inputting 141) their own mobile number

for confidentiality purposes and then report the incident with the Head Teacher / Designated Officer.

- If a member of staff breaches the school policy then disciplinary action may be taken.

## **Digital images and video**

### **In this school:**

- We gain parental/carer permission for use of digital photographs or video involving their child as part of the school agreement form when their daughter/son joins the school (or annually).
- We do not identify pupils in online photographic materials or include the full names of pupils in the credits of any published school produced video materials/DVDs.
- Only images of pupils in suitable dress are used.
- Staff sign the school's Acceptable Use Policy and this includes a clause on the use of mobile phones/personal equipment for taking pictures of pupils.
- If specific pupil photos (not group photos) are used on the school website, in the prospectus or in other high profile publications the school will obtain individual parental or pupil permission for its long term.
- The school blocks/filters access to social networking sites unless there is a specific approved educational purpose.
- Pupils are taught about 'sexting' and the implications such images may have on their digital footprint and personal reputation.
- Pupils are taught about how images can be manipulated in their online safety education programme and also taught to consider how to publish for a wide range of audiences which might include governors, parents or younger children as part of their computing scheme of work.
- Pupils are advised to be very careful about placing any personal photos on any 'social' online network space. They are taught to understand the need to maintain privacy settings so as not to make public, personal information.
- Pupils are taught that they should not post images or videos of others without their permission. We teach them about the risks associated with providing information with images (including the name of the file), that reveals the identity of others and their location. We teach them about the need to keep their data secure and what to do if they are subject to bullying or abuse.

### **Examples of how digital photography and video may be used at school include:**

- Children being photographed (by the class teacher or teaching assistant) as part of a learning activity; e.g. taking photos or a video of progress made by a nursery child, as part of the learning record, and then sharing with their parent / guardian.
- A child's image being used for presentation purposes around the school; e.g. in class or wider school wall displays or PowerPoint® presentations.
- A child's image being used in a presentation about the school and its work in order to share its good practice and celebrate its achievements, which is shown to other parents,

schools or educators; e.g. within a CDROM / DVD or a document sharing good practice; in our school prospectus or on our school website.

In rare events, children’s pictures could appear in the media if a newspaper photographer or television film crew attends an event.

Note: If the school wanted a child’s image linked to their name the school would contact parents separately for permission, e.g. if a child won a national competition and wanted to be named in local or government literature.

**Acceptable Use Agreement: Staff, Volunteers, Governors & Contractors**

Park Primary School regularly reviews and updates all AUP documents to ensure that they are consistent with the school Online Safety Policy.

These rules will help to keep everyone safe and to be fair to others. Please note that school systems and users are protected and monitored by security and filtering services to provide safe access to digital technologies. Your behaviour online when in school and on all school devices whether in school or otherwise may therefore be subject to monitoring.

- I will only use the school’s digital technology resources and systems for professional purposes or for uses deemed ‘reasonable’ by the Head and Governing Body.
- I will not reveal my password(s) to anyone.
- I will follow ‘good practice’ advice in the creation and use of my password and change my passwords regularly. If my password is compromised, I will ensure I change it. I will not use anyone else’s password if they reveal it to me and will advise them to change it.
- I will not allow unauthorised individuals to access email / internet / intranet / network / social networks /mobile apps / or any other system I have access to via the school or school umbrella.

- I will ensure all documents, data, etc. are printed, saved, accessed and deleted / shredded in accordance with the school's network and data security protocols.
- I will not engage in any online activity that may compromise my professional responsibilities.
- I will only use the approved email system(s) for any school business.  
This is currently: Gmail for Education
- I will only use the approved method/s of communicating with pupils or parents/carers: Gmail for Education, Google Classroom, Class Dojo, online cloud storage service (Google Drive), and only communicate with them in a professional manner and on appropriate school business.
- I will not support or promote extremist organisations, messages or individuals.
- I will not give a voice or opportunity to extremist visitors with extremist views.
- I will not browse, download or send material that is considered offensive or of an extremist nature by the school.
- I will report any accidental access to, or receipt of inappropriate materials, or filtering breach or equipment failure to Child Protection Officer and NPW.
- I will not download any software or resources from the internet that can compromise the network or might allow me to bypass the filtering and security system or are not adequately licensed.
- I will check copyright and not publish or distribute any work including images, music and videos, that is protected by copyright without seeking the author's permission.
- I will not connect any device (including USB flash drive), to the network that does not have up-to-date anti-virus software, and I will keep any 'loaned' equipment up-to-date, using the school's recommended anti-virus and other ICT 'defence' systems.
- I will not use personal digital cameras or camera phones or digital devices for taking, editing and transferring images or videos of pupils or staff and will not store any such images or videos at home or on any personal devices.
- I will follow the school's policy (see Staff handbook) on use of mobile phones / devices at school and will not use in the classrooms / only use in staff areas.
- I will only use school approved equipment for any storage, editing or transfer of digital images / videos and ensure I only save photographs and videos of children and staff on the appropriate system or staff-only drive within school.
- I will only take or publish images of staff and students with their permission and in accordance with the school's policy on the use of digital / video images. Images published on the school website, online learning environment, Twitter etc. will not identify students by name, or other personal information.
- I will use the school's Learning Platform or online cloud storage service in accordance with school protocols.
- I will ensure that any private social networking sites / blogs, etc. that I create or actively contribute to are not confused with my professional role.
- I will ensure, where used, I know how to use any social networking sites / tools securely, so as not to compromise my professional role.

- I agree and accept that any computer or laptop loaned to me by the school, is provided solely to support my professional responsibilities and that I will notify the school of any “significant personal use” as defined by HM Revenue & Customs.
- I will only access school resources remotely (such as from home) using the LGfL / Google for Education/ school approved system and follow e-security protocols to interact with them.
- I will ensure any confidential data that I wish to transport from one location to another is protected by encryption and that I follow school data security protocols when using any such data at any location.
- I understand that data protection policy requires that any information seen by me with regard to staff or pupil information, held within the school’s information management system, will be kept private and confidential, EXCEPT when it is deemed necessary that I am required by law to disclose such information to an appropriate authority.
- I am aware that under the provisions of the GDPR (General Data Protection Regulation), my school and I have extended responsibilities regarding the creation, use, storage and deletion of data, and I will not store any pupil data that is not in line with the school’s data policy and adequately protected. The school’s data protection officer must be aware of all data storage.
- I will alert Park Primary School child protection officer / appropriate senior member of staff if I feel the behaviour of any child may be a cause for concern.
- I understand it is my duty to support a whole-school safeguarding approach and will report any behaviour of other staff or pupils, which I believe may be inappropriate or concerning in any way, to the relevant Senior Member of Staff / Designated Safeguarding Lead.
- I understand that all internet and network traffic / usage can be logged and this information can be made available to the Head / Designated Safeguarding Lead on their request.
- I understand that internet encrypted content (via the https protocol), may be scanned for security and/or safeguarding purposes.
- I understand that I have a responsibility to uphold the standing of the teaching profession and of the school, and that my digital behaviour can influence this.
- Staff that have a teaching role only: I will embed the school’s online safety / digital literacy / counter extremism curriculum into my teaching.

## KS2 Pupil Online Acceptable Use Agreement

This agreement will help keep me safe and help me to be fair to others

- ***I am an online digital learner*** – I use the school’s internet and devices for schoolwork, homework and other activities to learn and have fun. I only use sites, games and apps that my trusted adults say I can.
- ***I am a secure online learner*** – I keep my passwords to myself and reset them if anyone finds them out.
- ***I am careful online*** – I think before I click on links and only download when I know it is safe or has been agreed by trusted adults. I understand that some people might not be who they say they are, so I should be very careful when someone wants to be my friend.
- ***I am private online*** – I only give out private information if a trusted adult says it’s okay. This might be my home address, phone number or other personal information that could be used to identify me or my family and friends.

- ***I keep my body to myself online*** – I never change what I wear in front of a camera and remember that my body is mine and mine only, and I don't send any photos without checking with a trusted adult.
- ***I say no online if I need to*** – if I get asked something that makes me worried or upset or just confused, I say no, stop chatting and tell a trusted adult.
- ***I am a rule-follower online*** – I know that some websites and social networks have age restrictions and I respect this; I only visit sites, games and apps that my trusted adults have agreed to.
- ***I am considerate online*** – I do not join in with bullying or sharing inappropriate material.
- ***I am respectful online*** – I do not post, make or share unkind, hurtful or rude messages/comments and tell my trusted adults if I see these.
- ***I am part of a community*** – I do not make fun of anyone or exclude them because they are different to me. If I see anyone doing this, I tell a trusted adult.
- ***I am responsible online*** – I keep others safe by talking to my trusted adults if a friend or person I know is being bullied or harassed or is worried or upset by things they read, watch or hear.
- ***I don't do public live streams on my own*** – and only go on a video chat if my trusted adult knows I am doing it and who with.
- ***I communicate and collaborate online*** – with people I know and have met in real life or that a trusted adult knows about.
- ***I am SMART online*** – I understand that unless I have met people in real life, I can't be sure who someone is online, so if I want to meet someone for the first time, I must always ask a trusted adult for advice.
- ***I am a creative digital learner online*** – I don't just spend time online to look at things from other people; I get creative to learn and make things! I only edit or delete my own digital work and only use other people's with their permission or where it is copyright free or has a Creative Commons licence.
- ***I am a researcher online*** – I use safer search tools approved by my trusted adults. I understand that not everything online can be believed, but I know how to check things and know to 'double check' information I find online.
