Dear Parents and carers of children due to start at Little Park in September 2022,

We look forward to welcoming you to our Nursery, Little Park, in September and we also look forward (hopefully) to many long and successful years of learning together.

The tables below state when we would like for you and your child to attend in the first three weeks of term. The highlighted time is the time we are inviting your child in. We hope that by allowing the children in for staggered sessions in the first three weeks, this will support the children with getting settled in the new environment with new children and adults.
