

## Strengths of Park - What Parents/ Carers say - February 2023

Teachers always show support and advice when needed.

Communication and positive attitude

Amazing teachers

Teachers are very good

Strength of teaching and care, variety of subject matter and emphasis on creativity, access to forest school, after school clubs and offer of wraparound care which is hugely important to 2 full time working parents.

Has a good environment

Equality and respect

Opportunities for outdoor learning

Treating everyone fair and kind.

Great inclusion and community

Patient

Kindness, honesty and very understanding

Well managed and works in partnership with parents.

Care

Nurturing environment

I like that the senior teachers are always available and present when i need to talk to them

The strength of unity amongst the staff team carries through all aspects of the school and makes for a very special environment for children and parents and staff alike.

Good teachers, good people, very helpful.

Kind and friendly, caring atmosphere

It is a very happy school. I feel my daughter's confidence has grown and she has been supported to develop her interests.

Ready to listen and respond, a happy school.

I really appreciate Park's values.

Forest school. Strong community learning. Positive learning environment.

Trying to bring the kids out of their shell

The teachers really kind helps my child to learn

Good communication with parents

The way they always greet the parents and carers in the morning and after school. and are always a huge support to everyone

Teachers ensure students are doing their best and push them to also do their best

Supportive environment, size of school offers experiences perhaps not available elsewhere

Child centred, caring, creative, inclusive

Always being so positive, supportive. Greeting us on the gates and just being there for everyone

The staff are here to help the children grow to their full potential.

Children's safety and punctuality etc

Inclusive/supportive/caring

Encouraging independence, challenging the pupils

Very friendly, safe and joyful atmosphere for my kid for his great future.

The unity within the school.

Leadership

Community, creativity, forest school

Care and development of children

Great atmosphere for our children to learn & thrive

The partnership between parents and teachers

Communication

It allows children to pursue their likes, to enjoy themselves and to have fun while learning which at this age is the most important

Tolerance, respect, responsibility, friendship

Very approachable staff

Caring & identifying the children's needs

Diversity

Good ethos and caring attitude
