Mrs Ttoffali's Weekly Update

Dear all

Well it's been a very busy week in my absence. The Year 6s have been on their residential from Monday through to Friday, the Y2s and Reception have graduated from their key stages and we have hosted the Annual Awards and Star of the Term assemblies. Well done to all of the award recipients, these were very well deserved. That said, please remember that, at Park, we are not all about the trophy winners: what really matters is what we all do, day in day out, to ensure that we all make progress as people and learners.

Thank you Ms Broadhurst and Ms Cook for ably stepping in, in my absence, and hosting these special events.

A quick **personal update**: I will be in school on Tuesday to wish you all a happy holiday and to say 'au revoir'. The operation was massive but I am recovering well. I will be having a good rest in the holiday (not driving, not lifting etc) whilst resuming my chemotherapy. Thank you for being so compassionate towards me on this journey.

Tragically on Monday we heard of the stabbing which had occurred in our lovely park. This tragedy has rocked the entire local community. From Park we would like to share our condolences with the local family and to send our love when there are no words that can be found.

It's just a two day week, [next week](#) but we're all ready for a break. Please talk to your children about keeping calm. If they manage to stay calm, Monday and Tuesday will be far happier days. I look forward to seeing you next week.

Natasha Ttoffali

Miss Laine's Cooking/Food Exploring Club

It was the last club of the year this week and the children made pizza! Following instructions was a little tricky for some as they were all super excited but it all turned out great at the end.

Summer Reading Challenge

Please see details below for this year's Summer Reading Challenge. We hope that everyone takes part, and if you do, please make sure that your child returns their library books to the library at the end of the challenge. Thank you

READY, SET READ!

The Summer Reading Challenge is here again in your local library, for children of all ages during the summer holidays. This year's theme is focused on reading, sport and play. Children will be able to join a superstar team and their marvellous mascots as they navigate a fictional summer obstacle course and be rewarded with free incentives including stickers.

One lucky winner who finishes the challenge will be entered into a prize draw for a signed, West Ham football. The winning school with the highest percentage of finishers will win a West Ham Foundation sports takeover day.

All children attending a Newham primary school have already joined, so all you need to do is **#KeepUpTheChallenge** by visiting your local library.
Go Team Newham!

WE ARE NEWHAM.

House Points

At Park we use a House Points system in which every child belongs to one of the four houses: Birch, Maple, Oak and Sycamore. House Points are awarded for children who demonstrate the school values. 5 HPs are awarded where significant examples of confidence, creativity, care and aspiration are exemplified.

Below is the total of the House Points collected throughout the Summer Term. Well done to **Birch**! You have the highest total for Summer Term and therefore your House Captains will be tasked with choosing a charity to which the school will donate £50.

Birch 4,705 	Sycamore 4,040 
Maple 4,315 	Oak 3,455 

ESOL Classes

New cohort of ESOL classes will start in September (dates to follow). Please put your name down on the waiting list in the school office.

Please be mindful that you will have to organise your own childcare as we don't have the facilities for this.
