Mrs Ttoffali's Weekly Update

A note from Mrs Ttoffali

Dear Park Community,
I miss you all so much. I don't have any concrete news other than to state that I officially retire (prematurely) on 16/4/24. I am currently being cared for at a hospice.

As you can probably imagine, I am very sad about retirement but I do appreciate that it is necessary. I have loved every second of my headship at Park. It's been very difficult but there's not been a single day that I have not loved-genuinely-thank you. I will write a speech and share.

Anyway, love to you all and much gratitude always.

I trust that all of you managed a break of sorts at the Bank Holiday, Happy Easter and Eid Mubarak to those who celebrated during the break. Relax and recharge and take good care.

Natasha Ttoffali

A note from Ms Broadhurst

Dear Park Community,
We are deeply saddened to share the update above with you from Mrs Ttoffali. Mrs Ttoffali has built Park Primary School over the last 11 years into the wonderful place it is today. We will in time in conjunction with her and her family consider how we can celebrate everything that she has achieved over the years. We will of course also keep you updated in regards to Mrs Ttoffali's health in line with her and her family's wishes.

If you have any questions or would like some support for yourself or your child during this difficult time then please speak to me on the gate or email info@park.newham.sch.uk FAO: Ms Broadhurst. We ask that you do not contact Mrs or Mr Ttoffali or their family directly to allow them some privacy during this difficult time.

As always, thank you for your support and care.

Kind regards,
Clare Broadhurst
Head of School

A note from the Governing Board

Mrs Ttoffali has worked with the Board to ensure that the school leadership team in place is stable, skilled and highly competent. Further, Ms Broadhurst and the leadership team will continue to lead the school throughout 2024, with the current leadership structure and roles put in place by Mrs Ttoffali and the Board with the possibility of this sad situation in mind. Additional resources are now in place from Newham Learning (a partnership of Newham schools), providing additional support for the leadership team to draw upon. We will write to you with more information on future plans in due course.

Chair of Governors

House Points

At Park we use a House Points system in which every child belongs to one of the four houses: Birch, Maple, Oak and Sycamore. House Points are awarded for children who demonstrate the school values. 5 HPs are awarded where significant examples of confidence, creativity, care and aspiration are exemplified.

Below is the total of the House Points collected in the Spring Term. The winning house will decide on the charity they want to donate £50 to.

Well done to **Sycamore!** You have the highest total for the term and, therefore will get the chance to choose a charity to donate the money to.

<p>Birch</p> <p>3,395</p> 	<p>Sycamore</p> <p>3,665</p>
